Read the passage given below and do as directed:

You may have heard the name of Tansen – the greatest musician our country had produced. A singer called Mukandan Misra and his wife lived in Behat Near Gwalior. Tansen was their only child. It is said that he was a naughty child – often, he ran away to play in the forest, and soon learn to imitate perfectly the calls of birds and animals. A famous singer named Swami Haridas, was once travelling through the forest with his disciples. Tired the group settled down to rest in a shady grove. Tansen saw them. ‘Strangers in the forest!’ he said to himself. ‘It will be fun to frighten them’. He hid behind a tree and roared like a tiger. The little group of travelers scattered in fear but Swami Haridas called them together. ‘Don’t be afraid,’ he said. ‘Tigers are not always dangerous. Let us look for this one. ‘Suddenly, one of his men saw a small boy hiding behind a tree. ‘there are no tiger here, master,’ he said? ‘Only this naughty boy’.
